It is the responsibility of the installer and/or the person signing this quote to verify that the listed components on this quote will work for the actual installation conditions, required project specifications and/or any applicable safety codes. Soligent has prepared this quotation based upon the limited details supplied by the customer requesting the quotation. Neither Soligent, nor any of its employees are liable or responsible for the listed components, design, installation, kWh production, code compliance, or any other matters related to the system. This quote is subject to the full terms and/or conditions outlined in your executed dealer agreement. Unless noted otherwise, this quote does not include shipping charges (including special delivery services such as Residential Delivery, Call Ahead or Lift Gate Required), and/or taxes are estimated based on the shipping information provided. ***Final tax amount will be calculated once the 'Ship To' address and/or order details are finalized.

*Ship Complete (Consolidated) indicates a single shipment from one location and/or is subject to product availability. Please note that this could result in a delay in your order shipment.
